

Billy Bubble and Squeak is the second book in a series about a little goat who wants to see and learn about the world. His adventures take him to many places. In Billy Bubble he meets a mouse named Squeak and they become friends. They share a crate behind a restaurant. Twice they prevent thieves from breaking into the restaurant. They also learn about food and cooking terms and techniques. Readers (8-11 years old) are also challenged about what they know about food and cooking. This story has more than 250 terms and phrases on those subjects.
