

Clothed In Armor: Spiritual Warfare for Adopted & Foster Kids

Clothed In Armor directly discusses the spiritual battles faced daily by children, especially children with any history of tough times. In particular, children from hard places are an easy target for spiritual warfare and the evil strategies of Satan. As a Licensed Clinical Social Worker for over 25 years, Ms. Lozier brings her clinical knowledge to this Bible study for your child. The Clothed In Armor workbook is divided into six lessons: My Story, Gods Trustworthy Protection, Satan is Sly, Satans Lies, Fight Back! and God is My Helper, My Protector. Each lesson is positive and uplifting to your child and directly aimed at healing past hurts faced by children before being securely placed in their forever families. The study includes fun activities, like: memory verses, fill in the blank type responses, and word puzzles. In the Bible study, you and your child will identify unresolved, past hurts that Satan is currently using to create feelings of doubt, self-criticism, or hopelessness. Instead of falling prey to Satans ploys, your child will identify and know THE TRUTH about themselves and others, and to learn specific ways they can fight back like a mighty soldier of God!
