

# Curious George Goes to a Movie with downloadable audio

The movie that George and the man with the yellow hat have been waiting to see is now playing! But once they're inside the darkened theater, the film doesn't hold George's attention for long. He is curious about that light coming from the window in the back of the room, but curious little monkeys and film projectors do not mix! This edition features activities and a bonus downloadable audio to guide emerging readers.
