

## Ginger Baker: A Drummers Tale

Its been a lot of fun getting involved with sourcing the material for this special project. Finding some of my art work that had been hidden away for several decades was amazing and brought back many memories. Ive used some quotes here from my auto-biography Hellraiser (John Blake 2009) and also from Nettie, to give you a flavor of all things Baker! I have always been interested in all areas of creative endeavour and I hope you enjoy this collection as much as we all did putting it together. Ginger Baker
