

# Coconut Milk Recipes: 21 Quick & Easy Meals for Breakfast, Lunch, Dinner, and Dessert (Healthy Lifestyle Series Book 4)

Coconut milk recipes are excellent for the busy man or woman who wants to eat healthy yet avoid dairy products due to being lactose intolerant or allergic to cows milk. Learn how to prepare delicious recipes the quick & easy way. Whether you decide to buy local or order organic unsweetened coconut milk online, one thing is for sure: your bodys digestive system will be glad that youre eating natural and healthy foods. Some of the coconut milk recipes in this cookbook qualify for anyone who is following a Paleo diet lifestyle. Next to the title in those recipes, youll see (Paleo Approved), which means that the ingredients adhere to the Paleo approved list of foods. I have prepared these recipes for myself, for family, and for friends...many of whom still eat according to the Standard American Diet (SAD). The reason this is mentioned is that when I have prepared many of these meals that are included in this cookbook and taken them to a local potluck lunch or dinner, someone always asks me for the recipe. Then when that person reads the ingredients, a look of surprise washes over their face. Then they ask about the coconut milk, commenting that they didnt taste the coconut. If you have never used coconut milk in your recipes, you might just be delighted with how good everything tastes. The best part is that youre keeping your body healthy. In this cookbook, you are presented with a recipe to make your own homemade coconut milk. Then, the recipes are grouped according to the meal type: Breakfast, Lunch, Dinner, Dessert. This cookbook does not discuss various diets, healthy eating routines, or how you should add an exercise program to your daily or weekly health regime. There are a sufficient number of those books and content available online. Further, each recipe is written according to the following format: Recipe title Number of Servings

Directions Sometimes I have included detailed nutritional information, and that's because the original recipe before I altered it to my taste was given to me by my nutritionist, so I have passed along that information. If you wish to look up every ingredient's nutrition value, the government provides a database of thousands of food items, and you can search for that online. I'm happy to share these recipes with you, and I hope some of them become your favorites.
