

Trains (You Can Draw (Gareth Stevens Paperback))

People have traveled by train for hundreds of years. Today, high-speed trains are some of the fastest ways to get around on the ground. Readers discover the innovative TGV and the classic cog train, by learning how to draw them all. Simple, step-by-step instructions and fun, colorful illustrations guide their progress from inspiration to unique work of art. Each chapter's exciting featured fact keeps train lovers turning the pages as they learn tips to make each drawing their own colorful creation.
