

Reaching Godward: Voices from Jewish Spiritual Guidance

In *Reaching Godward*, Dr. Carol Ochs draws on her years of experience as a spiritual guide. A philosopher and rationalist, Ochs incorporates reason, spirituality, Jewish tradition, and life realities into her thoughtful book. In it she portrays the quest for connection with God through a series of vignettes, each a composite of an individual with whom Ochs has worked. Each person is different, and thus each journey is different, but all have developed ways of living out their commitments so that their personal relationships with God continue to develop and their lives continue to be richer for it.
