

# King David

The story of David and Goliath has a ring of inevitability about it that handicaps most attempts at retelling. But Kyle Bakers comic book version of King David renders that classic confrontation in 17 wordless pages, comprising one of the freshest, most suspenseful and thrilling descriptions of its subject that you are likely to find. King David is a biblically accurate, freewheeling, color-saturated biography of the boy who rose to become king of Israel. David begins the book as a scruffy Dennis-the-Menace-like kid and ends the book as a vain, hunky womanizer; King Saul is a glam-rock tyrant; his son Jonathan is a skinny punk rebel. (When he asks to borrow Sauls chariot and the king asks, Where are you going, Jonathan? he shoots back, Out.) Many parents will deem the books bloody battle scenes inappropriate for young readers. King Davids candor, however, is a virtue. This is real religious literature: it describes Davids relationship with God in a style thats fully alive for readers today. --Paul Power

King David is a 1985 American epic historical drama film about the life of the second King of the Land of Israel, David. The film was directed by Bruce Beresford, King David was one of the central figures of the Old Testament, a passionate man of extreme highs and lows, and God honored him in the faith.
