

Wolf High (Tartan House)

Alex Hughes is a werewolf. Nobody knows Alex's secret—not his teachers, not his best friend Harry, not even the other werewolves at his school. Just his mom. That's because she helped create the drug that turned people into werewolves. Now she's trying to find a cure before it's too late for her son, before Alex's condition causes him to forget who he is, before he loses control of himself, before he hurts someone ... or worse.
