Following the runaway bestsellers *This is New York* and *This is Paris*, Universe is pleased to reissue another title from M. Sasek's beloved and nostalgic children's travel series. The stylish, charming illustrations, coupled with Sasek's witty, playful narrative, make the book a perfect souvenir that will delight both children and their parents, many of whom will remember it from their childhood. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than forty years later and, where applicable, facts have been updated for the twenty-first century, appearing on a *This is ... Today* page at the back of each book. In *This is Texas*, first published in 1967, M.
