

The Art of War: The New Illustrated Edition (The Art of Wisdom)

This classic Chinese text, the earliest known treatise on war, offers strategy and tactics that can be applied to every type of human conflict. Central to Sun Tzu's philosophy is the concept of using deception and superior intelligence to minimize risk, which has made his book required reading at military, business, and law schools around the world. With a Foreword by B.H. Liddell Hart and a 74-page Introduction, this deluxe edition--beautifully presented in a sumptuous silk case--is a standout offering in the successful Art of Wisdom series.
