

One of the best things about a rainy day is the possibility of a rainbow. Readers learn how rainbows form both through prisms and in the sky. With detailed diagrams to aid understanding, the text introduces important science concepts about light, refraction, and reflection. Beautiful photographs enhance exciting information and fascinating fact boxes.

Jeff Kinney (Checkerboard Biography Library: Childrens Authors (Library)), Spirit and the Word (Fortress Classics in Biblical Studies), Biodiversity of Rain Forests, Big City Blues: Back to Wonderland (Adventures in Extreme Reading, Book 5), Hello, Brooklyn!,
