

The League

This book is a solid choice for reluctant readers who also happen to love football.--School Library Journal Will keep sports fans reading. Kirkus ReviewsTwo teams. One summer. No rules. Wyatt Parker is tired of getting picked on by bullies and ignored by girls. He hopes playing football will toughen him up and impress his next-door neighbor Evan, who has her eye on the towns star quarterback. His older brother, Aaron has an even better idea: if Wyatt ditches the lame golf camp his parents signed him up for, he can play with Aaron in the League of Pain, the roughest and most secretive rogue football league in town. Now Wyatt has a choice. He can play by the rules like he always does, or he can steal back his neighbor, accept the penalties of the game, and have the winning summer hes been waiting for all year.

Metacritic TV Reviews, The League, Fantasy Football is at the core of The League, a comedy that explores how the online sports obsession affects marriages,The League offers services such as braille production, sign language interpreting, and in-home care with the goal of independent living and full inclusion of What is The League all about?
