

You Never Heard of Sandy Koufax?!

In this striking picture book biography, an old-timer tells us what made Sandy Koufax such an amazing baseball player. We learn that the beginning of his career with the Brooklyn Dodgers was rocky, that he was shy with his teammates, and experienced discrimination as one of the only Jews in the game. We hear that he actually quit, only to return the next season different firing one rocket after another over the plate. We watch him refuse to play in the 1965 World Series because it is a Jewish high holy day. And we see him in pain because of an overused left arm, eventually retiring at the peak of his career. Finally, we are told that people are still scratching their heads over Sandy, who remains a modest hero and a mystery to this day. Accompanied by sidebars filled with statistics, this Parents Magazine Best Book of the Year and Booklist Top of the List is sure to delight budding baseball fans.

We learn that the beginning of his career with the Brooklyn Dodgers was *You Never Heard of Sandy Koufax?! . Sandy Koufax: A Leftys Legacy* Paperback. This is an inspiring book, even though my children do not yet understand it. My son is a left-hand pitcher on his little league, and I know this will be motivating.
